

Kokomo24/7® makes visitor management “quicker and more secure.”

K-12 School District, Missouri

Kokomo24/7®’s Visitor Management System+ gives schools a holistic solution.

Welcome, screen, and manage all visitors for enhanced school safety – plus, have the flexibility to do more.

Welcome, screen, and manage school visitors

- Pre-register and offer tickets to visitors with SMS and email
- Offer self-service and QR code check-ins for visitors that minimize hassle
- Instantly scan visitors’ ID cards for security

Create a safe environment for students

- Keep out potentially harmful visitors by screening against the national sex offender database
- Track and manage all visitors allowed in your school buildings and events

Build a system that meets your specific needs

- Incorporate hardware like badges, printers, scanners, and cameras
- Options to run on existing hardware

What Kokomo24/7® Helps You Do

The Kokomo24/7® visitor management solution is designed to be flexible and easy-to-use.

- Log all visitors into centralized database
- Manage visitor access control
- Record early dismissals with custody checks before releasing students
- Manage check-ins and ticketing at school events
- Send SMS and email alerts
- Consolidate vendors by pairing visitor management and event management
